

ECD330 Cash Drawer

Entry Level Cash Drawer

Economical Solution

APG's Entry Level Cash Drawers offer customers a cost effective, economical solution. The ECD range is designed to meet the market requirements for small to medium businesses within retail and hospitality including those with tablet and mobile POS environments. The ECD330 cash drawer features a small footprint designed to maximise counter space and is the ideal platform for compact EPOS terminals and mobile PoS where space is at a premium.

Steel Construction

Featuring a steel construction (at 5 kg in weight) & steel ball bearing rollers for a prolonged operational life.

Compact Design

Ideal for use in situations where space is limited, the ECD330 cash drawer features a small footprint of just 330mm in width to maximise the counter space.

Practical Compartments

The insert can accommodate 5 notes and 8 coins, the angled note compartments offer easy access to speed up transactions.

Easily Removable Insert

The insert can be removed from the ECD330 cash drawer to make it easy to transport coins and notes to the back office.
